Churches Together in Redditch (CTiR): During the month of September we pray for Easemore Road Baptist Church, near Redditch Town Centre. They offer thanks for the recently refurbished hall and pray for future refurbishments to improve disabled access. They ask us to pray for the success of their Marriage Course starting soon; we are also asked to pray for Open The Book teams commencing another school year, teaching stories from the Bible to First School children throughout Redditch, especially for any schools that have refused access for this ministry.

*We are also reminded that we are currently in the period of the church calendar that many recognise as **Creationtide (1st September to 4th October)**. This is a time when Christians are asked to pray about and reflect upon the beautiful world that God has created and in particular to pray about how we are responding to the stewardship of the earth that has been given to us.*

P L Mower R.I.P .After several years of dutiful service we have to announce the departure of the petrol lawn mower due to the fact that it is absolutely cream crackered! We need to replace it and the likely cost is going to be in the region of £300 - £400. That is a lot to be found from our current financial situation. If anyone is able to make a contribution, however small, towards that total then it would be greatly appreciated. Please see Ann Robinson or Irene to make a donation.
