**A prayer for those affected by war:**

God of justice and peace, we pray for those who have been killed, injured or disabled through war. For those who have lost homes and security through conflict; for those who have lost loved relatives in wars; for those who face danger and take risks for peace; for all those, especially children, caught up in current conflicts; for refugees and all those in need of aid and other help. God of encouragement and Saviour of the despairing, comfort those who remember past sacrifices and guide us in building a just and peaceful world for all. Amen
